

In response to the Office Action, attached hereto is a substitute paragraph for insertion between the Title and "Introduction" on page 1 that delineates the claim and chain of priority. Assuming that the form and content is acceptable, Applicants request entry of the amended paragraph into the specification.

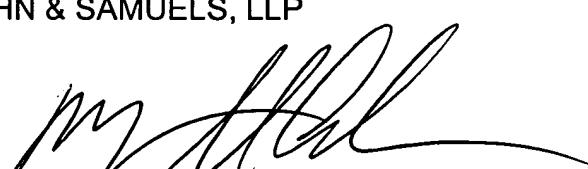

Claim 46 has been amended to overcome the rejection of the examiner and to more particularly specify the Markush group.

Finally in response to the notification to comply with the requirements of 37 CFR 1.821 – 1.825, please find attached a substitute paper copy of the Sequence Listing, and an initial computer readable form (CRF) copy of the Sequence Listing. Applicants' attorney hereby states that the content of the paper and computer readable copies are the same, and include no new matter, as required by 37 CFR 1.821(f) and 1.821(g).

If in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,

CAHN & SAMUELS, LLP
